

Try these fun activities with your child while travelling in the car...

Talk about what you see as you are driving

- Point out things of interest to start a conversation starter with your child

- Read road signs and point out the letters
- See if your child can find a sign that starts with the same letter as his/her name

Rhyming words

As you are driving around, play with words that rhyme:

- Say a word and ask your child to say another that rhymes (bike/Mike)
- Let your child make up words to rhyme with real words (tike/bike)
- Put different sounds at the beginning of your child's name to make words that rhyme with it (Sam/ram; Lee/tea)
