

# Name Game

Kids love recognizing their own names and the names of their friends and family. Try these activities with your child today!

## Materials

strips of paper, markers, basket or box

## How To

1. Print the first and last names of all family members and friends on a strip of paper.
2. Store the name strips in a box or basket and use them for the activities below.

**Syllables:** Clap out each person in the families name to determine the number of syllables.

**Letters:** Count the letters in each family member's name. Who has the most? Fewest? Graph the results.

**Sound Alike:** Sort the names of all family members and friends into piles: Whose first names begin with the same sound? Whose last names begin the same?
