

Try some activities with music and sound with your infant or toddler. You can...

## Playing with Sounds

*To help your infant or toddler succeed, you can:*

- Take turns making sounds or saying words with your infant or toddler
- Make the same word/sound your infant or toddler is making (ba-ba)
- Make a sound that is like your infant or toddler's sound (ga-ga)
- Make sounds of familiar animals (dogs, cats)
- Make sounds of familiar objects (water, car, wind)

## Doing Things with Music

*To help your infant or toddler succeed, you can:*

- Sing, Clap or Dance
- Talk about how the music makes your child feel
